

## Year 7 catch up funding

Year 7 catch up funding is spent focusing on enrichment activities to support confidence, transition and social communication skills. These ensure students maintain and increase progress and access to the curriculum from primary.

9 year 7's + £4500

Area	Spend	Desired outcome	Evidence
Shakespeare schools	£2000	Integration with mainstream peers. Social communication development. Progress in self-esteem and confidence.	Individual Personalised plan
