

# ACTIVITIES MATRIX

The following activities have been created to help your pupils understand the e-safety messages covered in the toolkit. The table below shows which of the four main messages the activity covers. These activities are provided as suggestions and starting point and can be freely edited and adapted to meet the needs of the young people you work with.

Click on the name of the activity to download it. Each activity is in a [.zip file](#) containing the activity sheet and any corresponding resources. All documents are in .docx format.
