

DRUMBEAT SCHOOL

Summer Term 2 Newsletter

Dear Parents and Carers

What a fantastic end to a very challenging year! I can't believe all our children have done so much.

I would like to thank all the parents for all their support through these difficult times, we could not have got through this without your understanding. Also all my staff who have relentlessly delivered education and love to all our children throughout the year during some very dark times.

I do hope that we are now turning a corner and it may be that you hear from me at the end of August with the latest guidance. In the meantime have a lovely rest with your families and be safe.

Marie Neave
Executive Headteacher

Dates for the Diary....

Friday, 23 July

Last day of Summer Term 2

School will close at 1pm
on this day

Wednesday, 1 September
INSET Day

Students will not attend
school on this day

Thursday, 2 September
Students back at school

Friday, 1 October
INSET Day

Students will not attend
school on this day

Friday, 22 October
Last day of term

The following pupil received Headteacher's Star Awards this month:

Tanya Taha — Tanya has been a star student in Lancelot class. She has made fantastic progress with her learning and demonstrated excellent behaviour throughout the year. It's been great to observe Tanya growing in confidence and developing friendships with her peers. Well done Tanya!

Do your own thing young stars (10-16) Heart n Soul events

Dear Parents,

I hope this finds you well and you are all gently slowing down before the summer holidays!

I just wanted to update you on the exciting news that we will be offering a face to face Do Your Own Thing Youngstars (10-16) session on **August 21st** and **September 18th 2021 1- 4pm** - Held in the Garden at The Albany in Deptford.

There will be a Parents and Carers Space with refreshments and a **free massage**. While the young ones get creative the parents and carers can have some well earned pampering!

The Do Your Own thing session on line on the last Saturday of the month will continue for 10 -25 years old for the time being.

If you could share the project again with this face to face session for 10 -16 year olds that would be so helpful. Its a perfect opportunity to get involved with the project as change is inevitable and having new young people drive the projects future is so key.

Here is a link to the webpage <https://www.heartnsoul.co.uk/whatson/dyotys-aug>

Do Your Own Thing Youngstars (10-16) — Heart n Soul

Saturday 21 August 1pm - 3pm In person! We are looking for new young artists, musicians, rappers, DJs and more! If you are aged 10-16 and have a learning disability come and join Do Your Own Thing Youngstars!. This month's Do Your Own Thing Youngstars will take place in person, in the garden of The Albany in Deptford.

www.heartnsoul.co.uk

A virtual Monkey Business Art Exhibition

Drumbeat School & Autism Spectrum Disorder Services shares their pupil's work, creating a new virtual art exhibition inspired by Monkey Business. Our virtual exhibition showcases a variety of 3D art, focused on monkeys and their habitats. Students took inspiration from videos and photographs about Monkey Business.

The exhibition gave our students a fantastic opportunity to learn about monkeys and the challenges they face due to climate change and habitat loss. Discussions about environmental issues inspired our students to reuse packaging such as boxes and newspapers. The works on display in the virtual exhibition highlight the school's dedication to creative exploration and team work.

We are so proud of what the students have achieved, and are delighted that the Horniman Museum and Gardens are exhibiting work from students with significant challenges. All our students have a diagnosis of autism and art offers a therapeutic outlet to their creativity and ambitions.

School Bus

If your child is moving from the Downham site to the Brockley site then you **need to re-apply** for the school bus as it is a change in circumstances.

Lewisham Travel are hoping to send letters out soon but if you wish to apply now then you can contact 020 3049 1204 or visit the Lewisham Local Offer website for more information.

<https://lewisham.gov.uk/myservices/education/special-educational-needs/school-transport-for-children-with-sen>

School Uniform

Please name all your children's clothing as it is difficult to locate lost clothing without some form of identification.

Our school uniform consists of black trousers/skirt, plain white polo shirt and purple sweatshirt. If you would like to order uniform please visit www.myclothing.com and put the school name in the box, this will then take you to our page. The address is also on the school website under 'for parents'.

Whitehall Clothiers in Lewisham also has a limited stock of our uniform. They are at 244a Lewisham High Street, London, SE13 6JU (Tel: 0208 852 8967 or www.whitehallclothiers.co.uk)

For swimming your child will need to bring a towel and swimsuit or costume. They will also need shorts and a T-shirt for P.E. lessons. These may be left at school, in a clearly marked bag.

In the 6th Form students can choose to wear their own clothes to school. In practice we find the vast majority of students choose this option and do not wear the Drumbeat school uniform.

Certificate of thanks

Lewisham Foodbank
would like to thank

Drumbeat School

for your kind donation of

51.4kg of clothes
149.0kg of food.

Signed

A handwritten signature in black ink, reading "Sueene Harrells".

Date

25th June 2021

lewisham.foodbank.org.uk

We have lots of activities for you to choose from.

From Lego, to Arts and Craft, to Reading, and much more.

Soon we will upload a booking system for you to secure your place. Limited spaces available.

These activities are for parents and children together. So come prepared to all get stuck in with some fun and connect with others who have similar interests.

For more information, please email:
asdoutreach.stluke@gmail.com

We've got something for everyone

FOR THE BUILDER

FOR THE ARTIST

FOR THE YOUNG

FOR THE BOOK WORM

FOR THE SPORTY

FOR THE SENSORY SEEKER

FOR EVERY ABILITY

FOR THE NATURE LOVER

FOR THE WHOLE FAMILY

Activities

For the Nature Lover (all age)

Nature Days and Packs:

If you love a scavenger hunt, or like watching the bugs and insects in their natural habitat, or are fascinated by making crafts out of natural resources, this is for you.

We will have some nature activities and ideas to do in our local park. Forster Memorial Park. Come meet us there to enjoy the summer weather and the outdoors.

For every Ability

We welcome everyone and our aim is to provide activities for all. We have a selection of SEN resources, however if you need any other additional requirements to facilitate your time with us, please let us know when you book, so we can prepare a fantastic time for you (and your child) when you arrive.

For the Whole Family

Parents and Children together.

Our activities are family focused and therefore parents must stay with their children at all times.

We cannot be responsible for children to be "dropped off". There will be a reminder of this during your booking process.

Most of our activities are all aged therefore if you have siblings of different ages, this will be good for them.

For more information:

asdoutreach.stluke@gmail.com

Activities

For the Book Worm (6-11years / 12-14years)

Book Club:

The aim of this club is to support kids and teens to identify emotions and ways to manage them, through short stories and fun. We will read a little, identify emotions from the story, talk about the characters way of dealing with them and finally, applying it to life.

For the Sporty (all age)

Olympics:

Each family can sign up as a country of your choice. We invite you to come dressed in the colours of your country and bring a flag along too.

Parents / Carers and kids all participate in the games and fun. Sports will be similar to sports day and will be possible for all ages and abilities. It doesn't matter how many are in your family, 2, 3, 4 or more people, each game and sport will be completed by 2 at a time.

For the Sensory Seeker (all age)

Sensory Church:

This session will be a sensory experience for those who enjoy and engage in activities best through their senses. We will have a sensory story and sensory based activities prepared on the theme of the day. This isn't just for small children, instead it's for any person of any age and any ability who would like to experience bible stories and teachings engaging all the senses.

Activities

For the Builder (all age)

Lego Club:

Come and use all your imagination and inspiration to build and invent things with bricks. We will have a selection of Lego and Duplo for the younger ones. This is a non structured activity where kids, teens and adults can freely build whatever they want.

Lego Connect:

Connect bricks. Connect with others. Connect with Bible stories. This group will experience the story through lego and then be able to collectively build a part/scene from the story,

For the Artist (all age)

Arts Club:

Whether you have a toddler who loves drawing or painting, or if you are an adult who uses art for your well-being. Come along and engage with several different artistic resources and let your imagination flow.

For the young (0-4 y/o)

Toddler group:

Parent and Toddler group for parents to connect with other parents and support their toddlers to socialise through play, music and story time.

Toddler church:

Similar to parent and toddler group but with biblical themed activities and stories from the bible. Toddlers and parents can engage and grow in faith together in a fun, relaxed space.

Coronavirus: how to stay safe and help prevent the spread from 19 July

COVID-19 will be a feature of our lives for the foreseeable future, so we need to learn to live with it and

manage the risk to ourselves and others. We can all help reduce risks by practising key behaviours. Find out how to protect yourself and others. As COVID-19 restrictions are lifted, it is important that we all use personal judgement to manage our own risk. All of us can play our part by exercising common sense and considering the risks. While no situation is risk free, there are actions we can take to protect ourselves and others around us. Following this guidance will help you stay safe and protect others by controlling the spread. Every action to help reduce the spread will reduce any further resurgence of the virus in the coming months.

Lifting restrictions

Most legal restrictions to control COVID-19 will be lifted at step 4. This means that when step 4 takes place:

- You will not need to stay 2 meters apart from people you do not live with. There will also be no limits on the number of people you can meet.
- You will not need to stay 2 metres apart from people you do not live with. There will also be no limits on the number of people you can meet.
- However, in order to minimise risk at a time of high prevalence, you should limit the close contact you have with those you do not usually live with, and increase close contact gradually. This includes minimising the number, proximity and duration of social contacts.
- Meet outdoors where possible and let fresh air into homes or other enclosed spaces.
- The Government is no longer instructing people to work from home if they can. However, the Government expects and recommends a gradual return over the summer.
- The requirement to wear face coverings in law will be lifted. However, the Government expects and recommends that people wear face coverings in crowded areas such as public transport.
- There will no longer be limits on the number of people who can attend weddings, civil partnerships, funerals and other life events (including receptions and celebrations). There will be no requirement for table service at life events, or restrictions on singing or dancing. You should follow guidance for weddings and funerals to reduce risk and protect yourself and others.

There will no longer be restrictions on group sizes for attending communal worship.

There are still cases of COVID-19 in England and there is a risk you could catch or pass on the virus, even if you are fully vaccinated. You are encouraged to exercise caution and consider the risks. While no situation is risk free, there are actions we can take to protect ourselves and others around us.

Get tested and self-isolate

If you develop COVID-19 symptoms, self-isolate immediately and get a PCR test, even if your symptoms are mild. You should self-isolate at home while you book the test and wait for the results. You must self-isolate if you test positive. Your isolation period includes the day your symptoms started (or the day your test was taken if you do not have symptoms), and the next 10 full days. This is the law.

The most important symptoms of COVID-19 are recent onset of any of the following:

- a new continuous cough
- a high temperature
- a loss of, or change in, your normal sense of taste or smell (anosmia)

Continued on next page

For most people, COVID-19 will be a mild illness. However, if you have any of the symptoms above, even if your symptoms are mild, stay at home and arrange to have a test.

You must also self-isolate if you are told to do so by NHS Test and Trace, for example if you have come into contact with someone who has tested positive. This remains the law, regardless of your vaccination status.

From **16 August**, if you have been fully vaccinated you will be exempt from the requirement to self-isolate if you are a contact of a positive case. You will instead be advised to take a PCR test as soon as possible.

You will also be exempt from self-isolation from 16 August if you are under 18 and a contact of a positive case. As with adults, you will be advised whether a PCR test needs to be taken. If you are 18 years old you will be treated in the same way as under 18 year olds until 4 months after your 18th birthday, to allow you the opportunity to get fully vaccinated.

If you test positive you will still need to self-isolate regardless of your vaccination status or age.

When self-isolating, follow the stay-at-home guidance. This will help reduce the risk of spreading COVID-19 to other members of your household and community. You must stay at home at all times and not have contact with other people. There are only very limited circumstances when you do not have to do this, such as seeking medical assistance. If you do leave your home during your period of self-isolation for a permitted reason, you should maintain social distancing and keep 2 metres apart from other people.

You may be entitled to a one-off payment of £500 through the NHS Test and Trace Support Payment scheme if you are required to stay at home and self-isolate, or you are the parent or guardian of a child who has been told to self-isolate. You should visit your local authority website for details on Test & Trace Support Payments and practical support offered in your area.

You could be fined if you do not self-isolate following notification by NHS Test & Trace.

More information is available on the following website:

<https://www.gov.uk/government/publications/covid-19-response-summer-2021-roadmap/coronavirus-how-to-stay-safe-and-help-prevent-the-spread>

Art @ Downham

The Art Week topic this term was "Circus Circus" and the display in reception is the result of all the wonderful artwork each class contributed to the project. Well done to all the classes who produced so much colourful and creative artwork.

Forest School

A group of Key stage 2 children have been attending weekly Forest school in Forster park. Jorge from Forster park community centre has been leading a weekly session for our children. The students have been looking for mini beasts, learning bird names and spotting animal homes such as nests and spider's webs in the park. They have also really enjoyed exploring, climbing on logs and walking amongst the trees. The group has played a hunt the bird and insect photos game, looking for pictures of wildlife hidden in the undergrowth. We have looked under logs for insects and small creatures, found slugs, snails and worms! The students have very much enjoyed the sessions, had fun and have learnt so much about the biodiversity in our local park.

next page

EYFS and Key Stage 1 School Council

Children from each class in EYFS and Key Stage 1 have been attending school council meetings. We have discussed things we like and don't like about school, what we like to do at playtimes and places at school that we like. The children have expressed their opinions well using choice boards or verbally.

School council all expressed how happy they are at Drumbeat and they couldn't think of anything that made them sad, except for when they fell over and hurt their knee.

Some of us had a meeting with Marie to tell her about our favourite things to do at school. She listened to what we said and will help us to make Drumbeat even better!

EYFS News

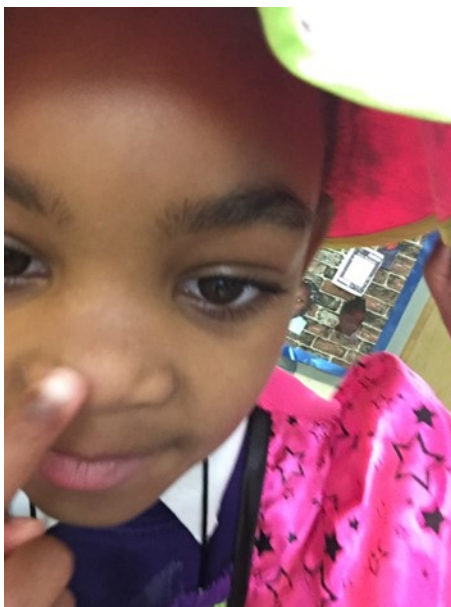

July 2021

We have had an amazing year in EYFS and we are so proud of all the progress all the children have made. From learning to use the toilet to being able to use communication tools to express themselves.

We have had lots of fun on trips & walks, made amazing friendships and learnt so much!

We wish all the children the best of luck in their new classes and we hope they all have an amazing Summer Holiday.

News from Key Stage 1

We have reached the end of the year and had lots to do. The children have been working very hard and been learning about interesting things. We have been able to take them out on some local trips and the children were very well behaved. I would like to thank the teachers for their hard work in organising such fun events and all the staff who accompany the children.

Continued on the next page

I would like to thank you all for your support this year. It has been a busy, disrupted year with the children learning at home and school, but we are so proud of every one of them.

See you in September!

Becky H (KS1 Lead)

Tiger Class

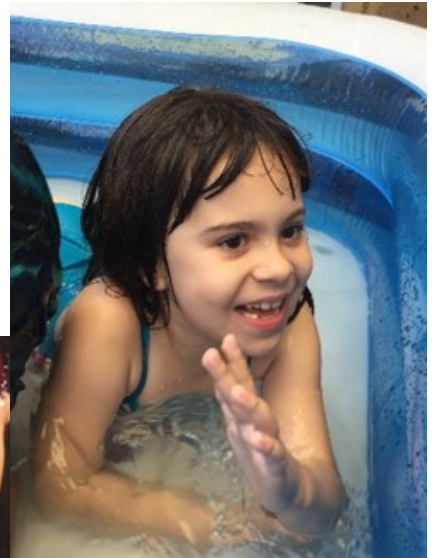

The children have been enjoying our topic 'Animals on the Farm and Beyond.' We have been listening to and engaging with stories, 'Dear Zoo' and 'There was an Old Lady who Swallowed a Fly.' We have been going for walks and looking at the flowers and insects. In Maths we have been learning about shape, matching and naming 2D shapes and using them to make pictures.

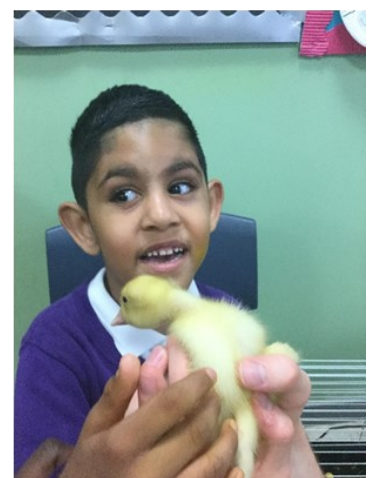

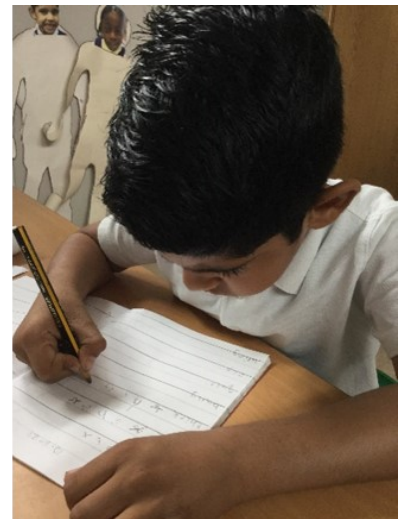

It has been a strange year, but the children have coped very well and made lots of progress in all areas. Tiger Team are very proud of all of the children. We hope you have a good summer break and see you in September!

Hello from Zebras,

This Summer Term we have really enjoyed LOTC (Learning Outside the Classroom). We attended Danson Park where we got the opportunity to play with our friends and feed the ducks. As part of our topic 'Animals' we visited Godstone Farm, we had fun petting and feeding a range of different animals. We really enjoyed seeing where the animals lived. In this hot weather we also got the chance to play with water and enjoyed being in the pool with our friends. It was also our turn to engage with Soft Play and the Sensory Room which was so much fun. We have continued to work hard in maths and English and have made excellent progress in our phonics sessions. We hope you have a wonderful summer holiday and we look forward to seeing you all again in September.

Continued on the next page

Crocodile Class News

Well done Crocodile Class for an AMAZING year! You have faced the challenging year with positivity and I could not be prouder of you all!

This term we have continued with our topic 'animals', learning about the stories 'There Was An Old Lady' and 'Dear Zoo'. We have also ventured out on some trips, watched caterpillars become butterflies and planted sunflowers.

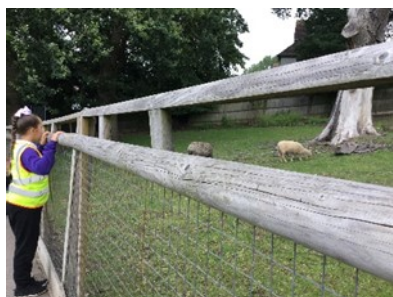

I hope you have a wonderful summer and a well-earned rest. I will miss you all!

Penguin Class

We enjoyed our first trip this year- To Horniman's Gardens.

We saw animals and lots of plants. We liked looking, feeling and smelling the plants. Penguin Class also enjoyed exploring with the musical instruments in the garden too. The children all enjoyed the trip.

Flamingo Class

I cannot believe that we are at the end of the school year and it is time to say goodbye. I am so proud of my lovely little Flamingos and all of the fantastic progress that they have made despite the challenging circumstances that we faced this year. They have been a pleasure to teach and I will always look back on my NQT year with great fondness thanks to the wonderful children that I was lucky enough to share it with. I hope you all have a lovely, fun-filled summer!

This half term, our topic has been 'growing and change' and we have enjoyed focusing our learning around the story of 'Jack and the beanstalk'. We have considered what a plant needs to grow and have been labelling parts of a plant – the children impressed us all with their knowledge! We used all of our new learning to plant and grow some seeds of our own.

Using 'magic beans' to grow our own beanstalks ...

Following instructions to grow our own cress heads ...

Continued on the next page

Flamingo class have also enjoyed visiting the park and the farm this half term. It was lovely to finally be able to get outside and we were fortunate with the weather on both occasions. It was lovely to watch the children playing so nicely together and make some lovely memories. ALL of the children behaved impeccably and did themselves and the school very proud.

Once again I would just like to reiterate how much I have enjoyed teaching all of your wonderful children this year and how proud I am of each and every one of them. I wish them all the best next year and I have no doubt that they will continue shine.

How lucky I am
to have something
that makes saying
goodbye so hard.

Winnie The Pooh

Panda Class

Panda class went for a lovely end of term trip to Greenwich Park. It was a very sunny and warm day; we walked around the Flower Garden, went to see the deer and the ducks on the pond. After lunch the children played in the bandstand and afterwards we played "Duck Duck Goose" and "What's the time Mr Wolf?" in the shade under the trees which was great fun. The children all had a lovely time and it was a wonderful end to a fantastic year for Pandas! Well done all of you!

Continued on the next page

Leopard Class

This term Leopard class have been very busy.

As part of our theme of growing we went on visit to Tunbridge Wells to see the beautiful bluebells. On our return we completed lots of work including writing about our visit and painting bluebells.

On this theme we also grew lots of plants and vegetables. Here is a picture of the class with the sunflowers that we grew. The tallest sunflower is about 170cm tall. We also grew lettuce, cress, basil and chives. We used all these in our cooking sessions.

We went on two great visits, one to Greenwich park and the other to Leysdown on sea. We had a great time and everybody enjoyed themselves.

We also entered a Rapid Fire cricket festival at Kings Hill cricket club. We had been practising all term and this paid off as we batted and fielded really well. A great day was had by all.

Continued on the next page

Excalibur Class

Summer term saw students from Excalibur class helping out in the community. We were at Beckenham Place Park every Wednesday picking litters around the park. This provided us an opportunity to come away from the school after a long time being locked down. Well done, everyone for having such a fantastic attitude towards work.

The Careers Booster Fund Project

The London Enterprise Advisor Network (LEAN) recognised that the impact of Covid-19 meant that many schools and colleges would need to offer virtual encounters with employers and experiences of the world of work. To support with this, they launched the Careers Booster fund. Drumbeat applied for this grant and were allocated £700 to deliver a special project. This consisted of making films of different work places that were bespoke to the needs of our students.

Helen Bull, our volunteer Enterprise Advisor and Carrie Kendall, a media student from Queen Mary University of London, made the films. They made 3 films altogether in the following places:

The Café in Lewisham College
People's Parliament
Young Vic Theatre
Tom Boyz Hairdressers

These films were shown to our 6th Form students.

Aisha Edwards is a young woman with Autism and works for the People's Parliament and Young Vic Theatre. She talked passionately about what she did and was kind enough to do a Zoom call with our students. They were able to ask her lots of questions about her jobs and were very engaged with the whole process. Our students found this Zoom call and the films very inspirational and hopefully they will help them think about what they would like to do in the future

Continued on the next page

Olympic Class

We have been gardening and learning about plants. We can name the parts of a plant and know what a plant needs to grow. We have been cycling, going to the gym, doing daily exercise and learning to look after ourselves.

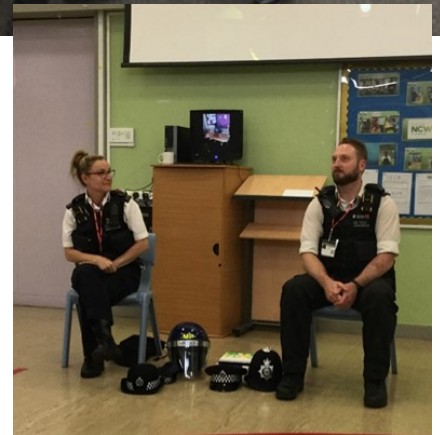

Continued on the next page

We have been learning about healthy eating and made salad. Olympic Class enjoyed the visit from the Fire Brigade on 18/6/21 and the Police on 25/6/21. Students presented their canvases to the visiting key workers.

Continued on the next page

Meridian Class

Meridian class have been really enjoying our final term of the year. We have embarked on a number of creative projects and gone on several walks around the local area. One creative project that we did over the course of the term was about focusing on different artists and replicating their work. We looked at Vincent Van Gogh, Roy Liechtenstein, Andy Warhol and Pablo Picasso.

Another project that we did together was actually put together by Reese, who came up with the idea of making unique shoe designs. He put together a presentation and set the rest of the class work to make their own shoes designs. We then got to show them off in our class assembly. During this assembly, Reese put together a competition for the whole of the Brockley site to make their own shoe designs. I have been very impressed with Meridian classes' hard work and creativity all year round!

Continued on the next page

Tower Class

After a very challenging year tower are drawing close to the end. Finishing off work and getting ready to say goodbye to friends who are moving on to college. Tower class completed some exceptional work on summer festivals researching why many cultures enjoy and experience celebrations at around the same time in summer developing their knowledge of summer as well as other cultures and languages. The highlight of this last half term has surely been our class trip to Chessington World of Adventure partly funded by one of our students winning the Jack Petchy award for their commitment to learning at Drumbeat School. Here are a few snippets from blog posts made by the students who came along on the trip accompanied by some pictures.

One student wrote "My favourite part was vampire ride because it was really fast. I was a little bit scared because we couldn't do the belts up ourselves. The worst part was waiting and not getting to try all the rides". Another student typed the following review "Yesterday was great I've take some pictures of my friends. My first ride was the Rattlesnake. My worst part was me and Andrea and two students all stayed when the others went to Tomb Blaster it took them an hour to get back. I went with Richard to the fast food shop and I had a chicken burger and chips with still Fanta it was 5\10. My favourite ride was the Vampire it was great because it was fast. My best bit was stroking a donkey, unfortunately we set it off." Finally another student remarked "The best ride ever is the vampire because it is extreme cool. The worst is about the tomb blaster because I'm afraid of spider and creepy. Next time we shall go rattlesnake and the Gruffalo water ride".

SCHOOL TERM AND HOLIDAY DATES — 2021/22

AUTUMN TERM 2021

Autumn Term 1 **Wednesday 1 September – INSET day**
Thursday 2 September – Students first day of term
Friday 1 October – INSET day
