Drumbeat's Gardener

Wayne is the school gardener he grows vegetables, fruits and herbs in the garden.

The food grown in the garden includes tomatoes, brussel sprouts, spring onions, apples, plums, and green beans. The garden is dug every year to plant the fruit and vegetables. The food is used in a variety of ways, it can be eaten, used in cooking and be donated to food banks. Many animals come into the garden such as birds, foxes, squirrels and a frog. The foxes and squirrels sometimes eat all the food so a

New Christmas Movies to watch this year

A Boy Called Christmas is about Nikolas, who has set off to the snowy white north to search for his father. His father was very cold as he didn't have a scarf boots, a winter hat, jacket or gloves, so Nicholas was afraid that his farther might die. As Nikolas was about to leave he took his rucksack and backpack. After 15 minutes of searching, he luckily found his father hiding under a tree with snow on top of him and shivering. Nikolas quickly took the boots, the winter hat, the gloves, the scarves and the jacket to his father, and dressed him up to keep him warm. He took his father home and spent Christmas happily with the rest of the family. The film is scheduled to be released November 2021 on Netflix

The Lion King book Review

The Lion King is about a young lion named Simba, who flees into exile after being manipulated by his uncle for the murder of his own father, the king. As he grows up around the company of two comedic outcasts, he gains a different perspective on his troubles. The book was published by Little Golden Books, and is based on the animated film of the same name.

The story involves some very exciting characters that provide enjoyment, action, betrayal and growth. Taking control of Simba's upbringing during his exile, Timon and Pumba, a Meerkat and a Warthog, teach Simba how to laugh, dance and overcome his guilt. Simba's best friend Nala is both entertaining and wise, and delivers depth and fun to the story. I would recommend this book because I found it to be very enjoyable and to have great storytelling.
